

HEALTH AND SAFETY POLICY

1 CONTEXT

- 1.1 SRA is committed to working in a way which ensures the health and safety of SRA staff, contractors, visitors and the public.

2 PURPOSE

- 2.1 This Policy aims to implement a working environment that is safe and without risk to health.

3 APPLICATION

- 3.1 This Policy applies to all Officers, SRA staff and Contractors.

4 POLICY

- 4.1 SRA will:
- a) ensure the business complies with all legislation relating to health and safety
 - b) eliminate or minimise all workplace hazards and risks as far as is reasonably practicable
 - c) hold leaders accountable for demonstrating commitment to and ensuring health and safety in their area of influence, as far as reasonably practicable
 - d) develop a proactive safety leadership culture at all levels of the business
 - e) provide induction, information, instruction and training to enable all SRA staff to work safely
 - f) supervise SRA staff to ensure work activities are performed safely
 - g) consult with and involve SRA staff on matters affecting their health, safety, and wellbeing
 - h) provide appropriate safety equipment and personal protective equipment
 - i) provide suitable injury management and return to work programs
 - j) ensure plant, equipment and facilities are subject to a risk assessment prior to purchasing and once received are maintained in a safe and compliant condition
 - k) ensure that all SRA Contractors are appropriately inducted and agree in writing, to comply with this Health and Safety Policy and related procedures, before undertaking any work for SRA
 - l) continually strive to improve health and safety performance by establishing clear and measurable objectives and targets, auditing, reviewing, monitoring and reporting and recognizing those who contribute positively to improvement
 - m) allocate adequate resources to achieve the aims of this Policy.
