Dear Members and Harvesting Operators

CANEGROWERS Rocky Point, in conjunction with Sugar Research Australia, invite all members and harvesting operators to attend a Productivity Workshop as follows:

Date: Thursday, 19 May 2022
Time: 10.30-12.30 pm
Location: Bethlehem Lutheran Hall,
1281 Stapylton Jacobs Well Road,
WOONGOOLBA

The workshop will review the impacts of harvesting practice on cane yield and sugar. This will include both machine set-up as well as changes in harvesting parameters. The workshop will conclude with new technologies available to assist in achieving the optimum harvesting practice and an introduction to the Agtrix Electronic Farm Plans.

Guest Speakers:

Phil Patane, Agricultural Machinery Specialist, SRA
Matt Mills, Laboratory Supervisor, WH Heck & Sons

Lunch will be served from 12.30pm.

Please advise your attendance by RSVP to Kate Armitage at kate_armitage@canegrowers.com.au or 5546-1481 **by Monday, 16 May 2022** for catering purposes.

Yours sincerely

Kate Armitage
