MAKING INFORMED DECISIONS WHEN INPUT COSTS ARE HIGH SRA MACKAY EVENT

How will you manage high fertiliser prices this year?

Please join us to learn about:

- Refining nutrient inputs in specific situations
- Trials of Enhanced Efficiency Fertiliser (Project EEF60)
- Economic tools to assist in making decisions at times of high input prices
- Update on the world sugar market and pricing opportunities.

When: 26 May 2022, 10.00am-12.00pm (lunch provided)

Where: SRA Mackay Research Station,
26135 Peak Downs Highway, Te Kowai

RSVP: 24 May 2022 to Dylan Wedel on 0490 029 387
or email dwedel@sugarresearch.com.au

Our thanks to CANEGROWERS Qld, Department of Agriculture and Fisheries (DAF), and sugar marketers: Wilmar, QCS and QSL.
