

Farm Money Matters Workshop – Burdekin

Presented by DPI, SRA, QRIDA & FBPNQ

Farm Economics & Finances

The Department of Primary Industries invites local growers and industry for a morning workshop, to hear about:

- Boost farm profitability with economics;
- QRIDA's farm loans and grants;
- FBPNQ's farm planning services & support

As well as receive training on using the FEAT Online tool to:

- Create or update your custom farm scenarios
- Compare farm options to optimise based on your priorities

Farm Agronomics with Terry Granshaw,
Sugar Research Australia District Manager, Burdekin

Farm Economics with Edward Vaggelas
