WIDE BAY SOUTHERN DISTRICT FIELD DAY 27 MAY

Growers across the region are warmly invited to attend the SRA Wide Bay Southern District Field Day. This practical, on-the-ground event will combine scheduled research updates with plenty of time for informal conversations and Q&A with SRA subject matter specialists and industry partners.

- **Short presentations, demonstrations, displays and guided station activities**
- **Hear what's happening in current research investments**
- **See new technologies in action**
- **Discuss challenges and opportunities you're facing on-farm**
- **Topics will cover priority areas such as pest and disease management, water management, harvesting, variety development and emerging tools**

Morning tea and lunch will be provided.

Complimentary bus available from Maryborough & Childers.

When: Wednesday 27 May

Time: 8am - 1.30pm

Where: SRA Bundaberg Station
314 Pashleys Rd, Welcome Creek 4670

RSVP by 20 May to Lisa Devereaux

SRA District Manager – Southern

M: 0456 590 497
