SAVE THE DATE!

MERINGA STATION FIELD DAY 2026

Join us at the Meringa Station to meet face-to-face with our researchers to discuss latest research findings, project updates and technologies designed to support growers' businesses and industry sustainability.

Hear the latest on SRA's variety development program, weed control, using drones for research, Beyond Imidacloprid – a project update, NIR technology, plant nutrition, soil health, biosecurity and more.

Parking will be available on site. Barista coffee & BBQ lunch will be provided.

When: Wednesday 13 May

Time: 8am - 1pm

Where: SRA's Meringa Station, 34 Hall Road, Gordonvale

RSVP to Paul Calcino, SRA District

District Manager – Far North

M: 0476 807 355

E: PCalcino@sugarresearch.com.au
